

INSURANCE AND REINSURANCE LAW

We help our clients identify and resolve potential insurance issues before they ever lead to a coverage dispute by providing guidance and counseling at all stages of the insurance procurement, renewal, and claim processes.

What we do:

- Advise policyholders on procurement issues and insurance programs.
- Advise policyholders on their rights and obligations in the event of a claim.
- We represent policyholders in their disputes with insurance companies
- Insurance coverage litigation
- Advise clients on identifying and submitting claims under lost policies
